Hey Guys,

I wanted to send you my comments on the listing/ delisting reviews. Don't be alarmed by the length of the document. Most of the main issues are summarized in the first 1/2 page. The rest are either clarification issues or items I'd like to present for future discussion. I wanted to go ahead and send this information to you guys so you'd have a sense of the topics I was hoping to cover during tomorrow's conversation. Hope it's helpful.

Look forward to talking to you tomorrow. See you at 1pm tomorrow. Let me know if you have any questions before then.

Tina
